

Roast Malt Beer RB "Smooth"

MSDS (Issue 10; 01-12-2019)

Ingestion: Foodstuff – non-toxic. Inhalation: Foodstuff – non-toxic. 5. Fire Fighting Measures Protection against Fire and Explosion: No special requirements. Suitable Fire Extinguishing Media: Water, Foam, Carbon Dioxide. Non Suitable Media None. Special Exposure Hazards: None. 6. Accidental Release Measures Spillages should be cleared up immediately and the floor surface cleaned and flushed with warm water. Large quantities of liquid should not be washed into sewers or waterways. Dispose in accordance with local regulations. 7. Handling and Storage Unopened: Store in a cool, dry place. 12 - 25°C Maximum 12 months Opened: Store refrigerated below 5°C (Up to 4 weeks).	1. Identification of the Preparation and of the Company		
Responsible Company: PureMalt Products Limited Information Tel. Number Tel: + 44 (0) 1620 824 696 Fax: + 44 (0) 1620 822 018 2. Hazards Identification Liquid malt extract is food product and non-toxic. Prolonged skin contact may cause minor irritation. Ingestion may cause allergic reaction in sensitized individuals. 3. Information on Ingredients Component: (contains Hops) Synonyms: Not Applicable. IUB Number: Not Applicable. CAS Number: 8002-48-0 EINECS Number: 232-310-9 Hazardous Ingredients: None – Food Ingredient. Classification of Preparation: Not Applicable. A. First Aid Measures Skin Contact: Wash with warm water. Eye Contact: Rinse eyes with plenty of water. Seek medical advice if necessary Ingestion: Foodstuff – non-toxic. Inhalation: Foodstuff – non-toxic. Inhalation: Foodstuff – non-toxic. Special Exposure Hazards: None. Ose quantible Fire Extinguishing Media: Water, Foam, Carbon Dioxide. Non Suitable Media None. Special Exposure Hazards: None. Special Reposure Hazards: None.	-	Barley Malt.

Roast Malt Beer RB "Smooth"

MSDS (Issue 10; 01-12-2019)

8. Exposure Controls/Person Protection		
Recommended Personal Protection Equipment:		
Respiratory Protection:		
Respiratory Protection.		
	Facemask in enclosed areas.	
Hand Protection:		
	Gloves if using frequently.	
	Gloves if using frequently.	
Eye Protection:		
	Eye protection in enclosed areas.	
9. Physical and Chemical Properties		
Appearance:	Dark brown to black semi to viscous liquid	
Odour:	Characteristically roast, burnt toast or coffee-like.	
10. Stability		
This material is stable under normal conditions o		
Conditions to avoid:	None	
Materials to avoid:	None	
Hazardous decomposition products:	None	
11. Toxicological Information		
Foodstuff – non-toxic.		
12. Ecological Information		
The preparation is biodegradable. Its high content of carbohydrate causes high biological oxygen demand, and release		
of large quantities into waterways or sewers should be avoided.		
13. Disposal Considerations		
No special disposal method required except that in accordance with current local authority regulations.		
14. Transport Information	in accordance with current local addiointy regulations.	
F		
UN No:	Not Applicable.	
Sea:	Not Applicable.	
Road/Rail:	Not Applicable.	
Air:	Not Applicable.	
15. Regulatory Information		
Labeling:	Ingredients: Malted Barley; Water; Hops
